

Spatial Contextual Risk Analysis consultants (4 posts)

The World Food Programme (WFP) is the world's largest humanitarian agency, fighting hunger worldwide. Our Emergency Preparedness and Response Coordination Branch is currently developing a Spatial Contextual Risk Analysis Model (SCRAM) to support emergency preparedness and programme planning. For this project we are currently seeking 4 consultants in the areas of GIS risk analysis, GIS Web design and Remote sensing analysis.

Please visit our website to view the job descriptions and to apply online:
