Dear Kenyans in Japan,

I am writing this email, on behalf of the KIJA Leadership Team, to bring to your attention the launching of Kenyans in Japan Association (KIJA) website and the Afro-East Investors club (http://www.kenyarep-jp.com/news/15/150602_e.html)

1. KIJA website: www.kija.co.ke

Through the efforts of KIJA Leadership, the revamped KIJA website is up and running and most of the Diaspora activities both here in Japan and elsewhere will be shared with all of us through the KIJA website. This sharing will also be done through our Facebook – [KIJA Facebook](#).

2. Afro-East Investors (AEI) Ltd – this is a limited liability company under the company act/society act of Kenya for collective investments by Kenyans in Japan (<http://www.kija.co.ke/index.php/afro-east-investors-limited/>).

The membership is open to all Kenyans in Japan. However, the first stage of registration limited to a fixed number on a first-come first-considered basis. Registration/membership information is as follows:

- i) Registration fee: 5000 KES
- ii) “Share Fee”: 25,000 KES, a minimum of 2 “shares” (50,000 KES) is required for one to be a member

Further information on AEI Ltd will be shared with all those who will

express interest by June 30, 2015. However, if you have any questions, do not hesitate to contact us.

I would also like to bring to your attention two KIJA events set to take place in the coming months:

1. KIJA Get-together: on July 25th, 2015 (Saturday), we are organizing a Kenyans in Japan summer party to come together to network, and eat and drink together. Chapatis, ugali, nyama choma and tuskers will be in plenty. The party will take place at the embassy. Further details will be send to us in a separate communication.
2. Kenya Diaspora Investment Conference – This years Diaspora investment conference will take place on October 29, 2015 at Keio Business School. Further details on this will be share separately too.

Thank you for your support and we look forward to working with all of us in expanding the role of Kenyans in Japan in national development.

Yours sincerely,
