

APPLICATION FOR CERTIFICATE OF ORIGIN

The Kenya National Chamber of Commerce and Industry (KNCCI) has developed an online platform that will facilitate electronic issuance of ordinary Certificate of Origin. In this regard, we wish to inform our esteemed exporters that the same took effect from 15th April 2016 and will immediately replace the manual issuance.

The entire process is now automated using a **unique serial number and QR code** for authentication. Exporters are therefore encouraged to apply for processing of their documents from their respective locations.
